PROFESSIONAL EXPERIENCE

● **United States Army (Clearance - Top Secret with SCI eligibility)**   **June 2018 - Present**
  ▪ 1st Space Battalion Security Manager (July 2022 - Present)
    Serving as the Security Manager of an organization of over 400 personnel with various clearances. I'm responsible for ensuring the safety and security of classified material and equipment that our organization uses globally.
  ▪ Unmanned Aerial Systems Platoon Leader (June 2020 - July 2022)
    Selected and served as the lead supervisor and planner for the only aviation asset within an organization of over 3,000 personnel. Managed 35 personnel and over 15 million dollars of aviation equipment with zero safety incidents.
  ▪ Unmanned Aerial Systems Platoon Leader (**Deployed** September 2021 - May 2022)
    Served as the lead supervisor for the organizations only organic aviation asset in the Eastern Syria Security Area. We successfully provided 24/7 aerial footage for areas of interest to over 4,000 personnel, both US and joint allied nations.
  ▪ Infantry Platoon Leader (July 2019 - June 2020)
    Served as the lead supervisor and planner for a department of 40 personnel and responsible for over 18 million dollars of equipment that was readily deployable to the Middle East region if needed.
● **Seek Now**   **February 2018 - June 2018**
  ▪ Independent Consultant
    Worked as an independent consultant for their front end web application utilizing WordPress. I provided various custom plug ins to meet the clients intent when an off the shelf solution didn't meet their needs.
● **WayStar (formally known as Zirmed)**   **August 2017 - January 2018**
  ▪ Software Development Intern
    Responsible for developing various internal web services utilizing the ASP.NET and Angular architectures. Developed a strong understanding of a business workflow in software development through git control and vigorous unit testing.
● **DXC Technology**   **May 2017 - July 2017**
  ▪ IT Helpdesk Specialist
    Served as an IT Specialist at the Army Human Resources Command that provided support to over 1 million Personnel worldwide. We were responsible for addressing user inquires and technical issues related to website functionality.
● **8-229TH Attack Helicopter Battalion HHC**
  ▪ Cadet   **April 2016 - May 2018**
    Served in the IT support department as an assistant to the department manager to provide network and computer support to over 300 personnel in an aviation organization.
● **University of Louisville College of Nursing Consultant**   **August 2016 - December 2016**
  ▪ Team Developer
    Part of a 5-man team that utilized the ASP.Net MVC framework with C# to compete against 6 other teams in a bid to provide the client with the best solution to their business case. Received 2ND place by less than a 10-point margin due to client style preference.
